

Visiting the Bordeaux Library

When I visit the Children's area at the Bordeaux Branch, I will try to talk quietly using my inside voice. Sometimes there are many children in the space and it can be loud.

I will try to walk and not run to a play area. There are wall activity boards, a train table, a dollhouse, coloring pages, puzzles, and computers. I will try to wait my turn to play with something that someone else has in their hands. More than one person can play with the trains and share the table.

If I need help finding something I can ask the librarian at the desk. The librarian can help me find books, DVDs, and audiobooks. The librarian can also help me get on a computer and check out books.
