

Visiting the Story Time at Donelson Library

Many people like going to Story Time. I will try and sit quietly on the floor or a chair during Story Time.

Ms. Alicia is the Children's Librarian that will lead Story Time. She will read stories and I will get a chance to answer questions she might ask while she reads. If I want to answer a question, I can raise my hand and wait until she calls my name.

Ms. Alicia will also sing songs, and she will invite me and the other children to participate in the songs with her. I can participate if I feel comfortable.

At the end of Story Time, Ms. Alicia will invite all children to participate in a craft. During craft time, I will try and share craft materials with the other children.
