

Visiting the Green Hills Library

We can go to the Green Hills Branch Library. There are lots of rooms at the library. I will try to stay with my grown-up so they can see me and I can see them. If I cannot find my grown-up, I can ask a librarian to help me.

There are lots of things to do at the library. I can look at books, magazines, movies, and music CDs. Librarians work at the library, and they can help me find good books. In the library, people are reading quietly or working on homework. I will try to use my quiet voice when I talk at the library. I will try to walk in the library. There is also a bathroom at the library if I need to use the bathroom.

There are many things to do at the library. I can use the computer, but sometimes other people are using the computer. I will try to wait until my turn to use the computer. I can play with the puppets or the blocks. I can color a picture at the Art Table. Sometimes other children want to play with the toys, too, so I will try to share.

I can find books to read. To find a book, I can type its name on the computer. The computer will tell me where the book is. I can also look for books on the bookshelves.

Sometimes the library doesn't have the book I want. I can ask the librarian if another library has the book. If they do, the librarian can get it for me. I will try to

patiently wait until the book arrives in 3 or 4 days. Maybe I can get the book next week when I come to the library.

When I find a book I want, I can take it to the desk, where someone will help me check it out or I can use the self-checkout computer. I need to show my library card to check-out, or borrow, the book. I get to take the book home for three weeks. Then, I bring it back to the library for other kids to have a turn reading the book.
