

Visiting Hadley Park Library

When I visit the Hadley Park Library, I will try and talk quietly. Sometimes, the library gets very busy. When that happens, it can get loud. Sometimes a baby might cry.

The spaces in the library are small, so I will try and walk when I am there. There are games and toys for me to play with, and I will try and wait my turn if someone is playing with something I want to play with.

If I need help finding something, I can ask the librarian at the desk. The librarian can help me find books, DVDs, and audiobooks. The librarian can also help me check out books and put books on hold if they are not available when I am there.
