

Nashville Public Library Puppet Truck Performance Requirements

The following requirements must be met for the Puppet Truck to successfully conduct a performance at your location:

- Location must be within Davidson County or Goodlettsville city limits
- Access to an electrical outlet
- Performance space of at least 8' x 8' x 8' (this measurement is subject to change based on specific show requirements)
- Direct access into the performance space with no obstacles between the parking lot and the entrance
- Freight elevator required for locations with second floor performance spaces
- Parking space to accommodate a 15' box truck
