

Going to Story Time at Thompson Lane Branch

When it is time for Story Time, the librarian will invite me and my friends on the stage. I will try to walk into the story room and sit on the chairs quietly. The librarian will always tell me what will happen next.

We will sing the “Hello Song”. I can sing with my mouth and my hands, along with the other children, if I want.

The librarian will read books and tell stories and rhymes. I will try to stay seated when they read or tell stories so other children can see. I will try to listen while the librarian is talking.

Between the two books the librarian reads, we will spend time with one of our special puppet friends—Mary or Năi Nai Maru. I will try to only touch the puppets with their permission.

After the reading, we will make a craft! I will try to listen to the directions as the librarian helps me use my imagination. I can always ask for help.
